MEMORANDUM

TO: Division Engineers

FROM: D. W. Bailey, P.E. *DW Bailey*
Chief Engineer - Operations

J. M. Lynch, P.E. *JML*
State Traffic Engineer

SUBJECT: Usage of "Low/Soft Shoulder" Signs

A new warning sign "Low/Soft Shoulder" is now available for use during construction and maintenance activities. A copy of the new sign is attached. This sign has a black legend on an orange background and shall be used to replace the "Low Shoulder" (W8-9) and "Soft Shoulder" (W8-4) signs where both are needed at one location. Use of this sign shall be in accordance with the Manual on Uniform Traffic Control Devices. See the manual for further explanation.

If you have any questions or need additional information, please let us know.
